20 Rock'n'Roll years, 20 adventurous years into the wonderful world of rock'n'roll for Alexander Perros and his band. Amazing albums, countless live performances, images and stories in one 2CD plus DVD that contain the living history of the most important Greek rock'n'roller.

Participating musicians such as Pantelis Deligiannidis (guitar - voice on 3 songs), Dimitris Starovas (guitar on "Stars In Your Eyes"), Aris Rigos (guitar on 2 songs), Little Peter (piano on 2 songs) Giotis Pangalas, Christos Koutsouris, Petros Papakyriakou, Sisko Kid are among others the stars who brighten this stunning collection of the best songs of the Lone Stars, some of them unreleased and live versions and of course the DVD with rare live footage. As for the contributors of Alexander in those 20 years, George Manios (The producer!), Costas Hasiotis the restless bass, and Tassos Economou, the best drumming in Greek rock'n'roll scene!!! It hardly ends a rock'n'roll history so quickly in only 20 years. The party keeps going on!!!
